

# Internet Safety

Come to learn and discuss how to keep you, your children, and loved ones safe on the internet.

Don't be SORRY be SAFE!

Have you ever worried that you might have put too much information on the internet? Do you look for ways to protect your children from child predators, giving out too much information, or visiting inappropriate sites? Have elderly you know been scammed online?

Come to our Internet safety event, and learn how to keep you and those around you safe!

There will be fun and engaging activities for the kids. Helping them to learn appropriate internet safety. For the adults John Doe will be talking about his struggle to get his identity back. Also free programs to keep you safe, and even better the whole workshop is FREE!

Come, join us, and enjoy!
